

MG Scientific - July Multi-brand New Item Showcase

We at MG Scientific hope that everyone is enjoying a beautiful summer. As the summer represents a time of growth, with this edition of eLABorate we wanted to showcase several new vendors and products we have added to our portfolio. MG Scientific has you covered from sample collection to sample preservation and everything in between. If you have not scheduled your mid-year review or if you would like to schedule a new review with an MG Scientific representative, contact us today.
